1. Statement of intent

Our Faith Can Move Mountains - Matthew 17:20

The place of Religious Education at Loscoe Church of England Primary School and Nursery is to inform our understanding and celebrate the Christian foundation of our school. It is also to understand and embrace those of all faiths or none. As a Church of England school, Religious Education has a high priority in our curriculum. We know that every child matters. We strive to ensure the children of Loscoe Church of England Primary and Nursery are equipped with the skills needed to meet the challenges of our ever changing world and make their own positive contributions to our global society.

Our vision is 'We may be small but together we can make a big difference'

Through carefully considered and structured planning our R.E. curriculum encourages children to:

- Explore the 'big' questions in a safe, caring and nurturing space.
- Understand the impact that faith has on the lifestyles of those with or without beliefs.
- Discover how people of faith and no faith express their beliefs and explain their ideas.

2. Legal framework

This policy has due regard to statutory guidance. R.E. must be taught according to the locally agreed syllabus. At Loscoe Church of England Primary School and nursery this is the Derbyshire Agreed Syllabus for RE (2025-2030). This offers a coherent approach to the teaching and learning of Christianity alongside other world religions.

Legal parental right to withdraw

At Loscoe Church of England Primary School and Nursery we are an inclusive community but recognise that parents have the legal right to withdraw their children from religious education on the grounds of conscience. In these instances, parents are invited to meet with the Headteacher & RE co-ordinator- Wendy Lynam.

Requests to withdraw your child will need to be put in writing with detailing if you would like to withdraw your child from all or part of the RE curriculum.

4. Early Years foundation stage (EYFS)

- R.E. is non-statutory in our Nursery setting, but teachers do choose to incorporate R.E. material into children's activities.
- R.E. is a compulsory part of the basic curriculum for all Reception age pupils, and is taught according to the Derbyshire Agreed Syllabus for RE.
- Early Learning Goals outline what pupils should achieve by the end of reception year. The National Curriculum is not taught.

5. National Curriculum

All pupils within KS1 and KS2 are taught R.E. in line with the requirements of the national curriculum and the Derbyshire Agreed Syllabus. We have drawn up a long term plan for our school. Our detailed long term plan can be found on our school website.

Phase of Learning	Religions to be studied in depth
EYFS	Children will encounter Christianity and other faiths, as part of their growing sense of self, their own community and their place within it
EYFS and Key stage 1	Christianity, Islam
Key Stage 2	Christianity, Hinduism, Judaism, Islam

6. Cross-curricular links

Wherever possible, the religious education curriculum will provide opportunities to establish links with other curriculum areas. Opportunities will be identified by the subject leaders and by teams of teachers.

- Collective worship will provide additional opportunities for links but is discrete from the teaching of R.E. Skills are practiced and reinforced in challenge based learning / enhanced provision.
- RE is intertwined with our Student ambassadors group who promote courageous advocacy across the school.

7. Teaching and learning

R.E. has a vital part to play as part of a broad, balanced and coherent curriculum to which all pupils are entitled. High quality learning experiences in RE are designed using the Derbyshire Agreed Syllabus.

In order to make religious education a lively, active subject we employ a variety of teaching methods including art, music, discussion, the development of thinking skills, drama, the use of artefacts, pictures, stories, and the use of periods of stillness and reflection.

Where possible we want our pupils to have opportunities to encounter local faith communities through visits to local places of worship or visits from members of local faith communities.

RE is taught regularly in line with statutory requirements; this can be on a weekly basis or as a block of time, in order to make the learning engaging and purposeful for the children.

8. Planning

We have developed a long term plan for the teaching of R.E. to ensure our children receive the appropriate depth and breadth of study for their age. Our long term plan takes a spiralling approach with a coherent content. Children access core learning but can also dig deeper as they move to their next phase of learning.

Theological thinking and enquiry is at the heart of our planning with reflection and response times weaved into lessons and units of work.

Teachers are responsible for reviewing and adapting plans taking into account pupils' needs and identifying the methods in which topics could be taught.

- Long-term planning outlines the units to be taught within each year group.
- Medium-term planning outlines the vocabulary and skills that will be taught in each unit of work, as well as highlight the opportunities for assessment.
- Short-term planning will be used flexibly to reflect the objectives of the lesson, the success criteria and the aims of the next lesson.

All lessons will have clear learning objectives, which are shared and reviewed with pupils.

9. Assessment and reporting

Pupils will be assessed and their progression recorded in line with the school's Assessment Policy.

Throughout the year, teachers will plan on-going creative assessment opportunities in order to gauge whether pupils have achieved the key learning objectives.

Assessment will be undertaken in various forms, including the following:

- Talking to pupils and asking questions
- Discussing pupils' work with them
- Marking work against the learning objectives
- Pupils' self-evaluation of their work

Formative assessment, which is carried out informally throughout the year, enables teachers to identify pupils' understanding of subjects and inform their immediate lesson planning.

10. Resource

- The subject leaders are responsible for the management and maintenance of R.E. resources.
- The subject leader will undertake an audit of musical R.E. resources on a regular basis.

11. Equal opportunities

- All pupils will have equal access to the R.E. curriculum.
- Gender, learning ability, physical ability, ethnicity, linguistic ability and/or cultural circumstances will not impede pupils from accessing R.E. lessons.
- Where it is inappropriate for a pupil to participate in a lesson because of reasons related to any of the factors outlined above, the lessons will be adapted to meet the pupil's needs and alternative arrangements involving extra support will be provided where necessary.
- All efforts will be made to ensure that cultural and gender differences are positively reflected in lessons and the teaching materials used.

12. Monitoring and review

- This policy will be reviewed on a three yearly basis by the subject leader..
- The subject leader will monitor teaching and learning in the subject at Loscoe Church of England Primary School and Nursery, ensuring that the content of the national curriculum is covered across all phases of pupils' education.
- Any changes made to this policy will be communicated to all teaching staff.
