Our computing promise

- I will always ask a teacher or trusted adult before using computers, tablets, or the internet.
- I will only use the apps, games, and websites my teacher or adult has said are okay.
 - I will look after computers, tablets, and equipment carefully.
- I will ask for help if I get stuck, make a mistake, or something goes wrong.
- I will tell a teacher or trusted adult if I see something that upsets me or doesn't feel right.
- I will be kind and respectful to others when I am online, just like I am in real life.
- I will keep my personal information safe and think carefully about what I share online.
- I will follow these rules at school and at home to stay safe when using technology.
 - I understand that if I don't follow this promise, I might not be allowed to use the computer or tablet at school.
