1. Our Trust

Promoting good school attendance is everyone's responsibility.

DDAT strives to ensure that all its schools create an inclusive environment which enables and encourages all pupils/students to reach their full potential. For pupils/students to achieve in accordance with their potential and to gain the greatest benefit from their education, it is vital that they attend regularly.

DDAT understands that barriers to attendance are complex, and that some pupils/students find it harder than others to attend school; therefore, DDAT schools will prioritise cultivating a safe and supportive environment in all their schools, as well as strong and trusting relationships with all pupils/students and parents/carers.

There is a Trust Attendance Strategy which aims to:

- Improve attendance in all DDAT schools
- Reduce persistent absence in all DDAT schools
- Develop strategies to catch up lost learning for pupils/students whose attendance is a concern

2. Our School Context

Loscoe Church of England Primary School and Nursery is a small primary school of approximately 200 pupils, serving the local Loscoe community and surrounding areas within Derbyshire. As part of Derby Diocesan Academy Trust, our Christian ethos - rooted in the belief that "our faith can move mountains"- underpins our commitment to ensuring every child is given the best possible opportunity to learn, grow and thrive, and regular attendance is fundamental to this.

We recognise that a range of factors can affect a family's ability to secure their child's regular attendance, and we are committed to understanding and responding to these sensitively rather than punitively. Specific factors that may present as barriers to attendance in our context include:

- **Family circumstances** - including bereavement, parental separation, illness within the family, or periods of family instability, which can have a significant impact on a child's routine and emotional readiness for school.
- **Socio-economic factors** - a proportion of our families experience economic disadvantage, which can affect access to transport, uniform, and the practical means of getting children to school consistently and on time.
- **SEND and additional needs** - pupils with identified or emerging special educational needs may experience anxiety around the school day, sensory sensitivities, or difficulty with transitions, all of which can affect attendance and punctuality.
- **Engagement and motivation** - some pupils, particularly as they move through the school, may show reduced motivation linked to academic confidence or a sense of belonging, which we work to address through pastoral support and a broad, engaging curriculum.
- **Parent/carer engagement** - the strength of a family's relationship with the school, and their own experiences of education, can shape how they prioritise and support regular attendance.

- **Transport** - as a school drawing pupils from Loscoe and neighbouring areas, some families face practical transport challenges, particularly where parents/carers do not drive or where public transport links are limited.
- **Safeguarding and bullying concerns** - where a child's attendance pattern changes suddenly or persistently, this is treated as a potential indicator of wider welfare concerns and is addressed through our safeguarding procedures in conjunction with this policy.
- **Health and wellbeing** - both physical and mental health needs, including anxiety-based non-attendance, are increasingly prevalent and require a graduated, supportive response rather than a purely procedural one.

We understand that at different times, you may be experiencing pressures that can impact upon your child's attendance. At Loscoe C of E Primary School and Nursery, we operate an 'open door' policy, and a member of our school team will always make time to speak to you if you have any questions or concerns about your child's attendance. If your family need any additional support with your child attending school, we can signpost you to relevant agencies or make a referral to the Positive 4 Young People worker who helps families in our school.

We recognise that persistent absence has a disproportionate impact on our most vulnerable pupils, including those eligible for pupil premium funding, and closing attendance and attainment gaps for these pupils remains a priority within our wider school improvement work. This policy sets out how we work in partnership with families, the Trust, and external agencies to remove barriers to attendance and ensure every child benefits fully from the education we provide.

3. Key Staff: Roles and Responsibilities

Our attendance team comprises:

Attendance Lead/ Attendance Champion: Mrs Wendy Lynam (Headteacher) –
wlynam@loscoe.derbyshire.sch.uk

Attendance Support team: Mrs Yates (Deputy Headteacher) & Mrs Redmond (School Business Manager)

4. Our Aims and Approach

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil/student has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to ensure pupils/students have the support in place to attend school.

Our attendance philosophy recognises the importance of both personal and collective achievements; it is an approach which aims to address negative factors which can impact children/young people and to create an inclusive environment where we can foster positive relationships with our pupils/students and their families.

We recognise that school attendance plays a key role in shaping academic outcomes, personal development, and prospects; regular school attendance can have a significant impact on:

- **Academic achievement:** There is a correlation between regular school attendance and academic outcomes.
- **Knowledge:** School is where children/young people acquire knowledge and skills that are crucial to their growth and development; missing days is missing opportunities.
- **Social Development:** School provides an environment for children/young people to develop social skills, interact and form bonds and attachments. Consistent school attendance supports peer group connections.
- **Routines:** School attendance provides structure and routine, helping children/young people to learn time management and the organisational skills they will need in later life.
- **Teacher interaction:** Regular attendance enables staff and pupils/students to develop meaningful and productive relationships which support teacher understanding of needs and assessment of progress.
- **Preventing knowledge gaps:** Poor school attendance leads to knowledge gaps and pupils/students can find it difficult to catch up potentially leading to long-term academic difficulties.
- **School engagement:** Children/young people who attend school regularly are more likely to become involved in extra-curricular and enrichment activities.
- **Parent/carer legal responsibility:** Parents/carers are legally responsible for ensuring their child's/student's regular school attendance; failure to do so can lead to legal consequences.

5. Legislation and Guidance

This policy meets the requirements of the [Working together to improve school attendance \(applies from 19 August 2024\)](#), the statutory guidance from the Department for Education (DfE) for maintained schools, academies, independent schools and local authorities, and refers to the DfE's statutory guidance [Summary table of responsibilities for school attendance \(applies from 19 August 2024\)](#), and [Children missing education: statutory guidance for local authorities and schools - GOV.UK](#)

These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

School administrative/office staff will:

- Take calls from parents/carers about absences on a day-to-day basis and record it on the school system.

- Appropriately manage and direct enquiries from parent/carers to appropriate staff to enable them to access support with attendance matters.
- Liaise directly with staff who have responsibility for safeguarding regarding absences and attendance concerns relating to vulnerable pupils/students.

6.7 Parents/carers

Staff with specific attendance responsibilities (e.g. attendance leads, pastoral staff, administrative staff) will receive role-specific training.

Members of the Local Trust Committee will receive training on attendance duties, data interpretation, and challenge for school leaders.

7. Recording Attendance

7.1 Attendance register

We will keep an attendance register and place all pupils/students onto this register.

In accordance with Pupil Data Standards, we will ensure that pupil records include:

- Full details of all persons with parental responsibility
- The home address of each parent, regardless of where the pupil resides
- At least two emergency contacts
- Details of previous schools attended
- The pupil's UPN and any other statutory identifiers

Parents must inform the school immediately of any changes to contact details or home circumstances, to enable school staff to keep these records accurate and up to date.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil/student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances.

Any amendment to the attendance register will include:

- The original entry.
- The amended entry.
- The reason for the amendment.
- The date on which the amendment was made.
- The name and position of the person who made the amendment.

Please refer to Appendix 1 for the DfE attendance codes.

We will also record:

- Whether absences are authorised or not.
- The nature of the activity if a pupil/student is attending an approved educational activity.

- The nature of circumstances where a pupil/student is unable to attend due to exceptional circumstances.

The register for the first session will be taken at 8:45am and will be kept open until 9:15am. The register for the second session will be taken at 1:00pm and will be kept open until 1:10pm

We will keep every entry on the attendance register for six years after the date on which the entry was made, and all additional records relating to attendance interventions, persistent absence, CME processes, and deletion-from-roll decisions will also be retained for six years

7.2 Unplanned absence

The pupil's/student's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as possible by contacting the school office staff. This can be done:

- Via telephone (phone lines open at 8:30am)
- Email – info@loscoe.derbyshire.sch.uk

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of an illness is in doubt, the school may ask the pupil's/student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this.

7.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the pupil's/student's parent/carer notifies the school in advance of the appointment.

For all medical or dental appointments, we require at least 48 hours notice (unless an emergency appointment) which should be given to the school office. This can be done verbally by telephone or email. Proof of the appointment **must** be provided (letter, appointment card or confirmation text message from an NHS service).

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil/student should be out of school for the minimum amount of time necessary.

The pupil's/student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

7.4 Lateness and punctuality

A pupil/student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.

If a pupil is repeatedly recorded as late, parents/ carers will be contacted by the school attendance lead to discuss this and be offered support as to how punctuality can be improved.

7.5 Following up unexplained absence

If any pupil/student we expect to attend school does not attend, or stops attending without reason, the school will:

- Call the pupil's/student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's/student's emergency contacts, we will carry out a visit to the child's registered address/es to ascertain the child's whereabouts. A letter will be left to ask parents/ carers to contact the school.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained; this will be no later than five working days after the session.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.
- If absence continues, the school will consider involving other agencies as appropriate.

7.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels this will be done at parents' evenings and on each child's annual school report.

8. Authorised and Unauthorised Absence

8.1 Approval for term-time absence

The Department for Education stipulates that head teachers may not grant any leave of absence during term time unless there are exceptional circumstances. There is no automatic right to any leave in term time, and any leave of absence is granted at the headteacher's discretion, including the length of time the pupil/student is authorised to be absent for.

The school considers each application for term-time absence individually, considering the specific facts, circumstances, and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

The following are examples of **authorised absence**:

- Illness and medical/dental appointments.
- Religious observance: where the day is exclusively set apart for religious observance by the religious body to which the pupil's/student's parent/carer belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller pupils/students travelling for occupational purposes: this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil/student is attending educational provision.

School staff will be mindful of any absence patterns emerging, even those which have been formally requested, which might indicate a safeguarding concern.

8.2 Legal sanctions

Penalty notices can be issued by a headteacher, the local authority officer or the police, fining parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

The first time a penalty notice is issued for term time leave or irregular attendance the amount will be: £160 per parent, per child if paid within 28 days, reduced to £80 per parent, per child if paid within 21 days.

The second time, within a three-year period, that a penalty notice is issued for term time leave or irregular attendance the amount will be: £160 per parent, per child paid within 28 days.

The third time, within a three-year period, that an offence is committed for term time leave or irregular attendance a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court.

The decision on whether to issue a penalty notice may consider:

- The number of unauthorised absences occurring within a rolling academic year.
- One-off instances of irregular attendance, such as holidays taken in term time without permission.
- Where an excluded pupil/student is found in a public place during school hours without a justifiable reason.
- If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

9. Strategies for Promoting Attendance

Promoting good school attendance is everyone's responsibility.

To promote good attendance our school uses the following strategies:

Promoting good school attendance is everyone's responsibility.

To promote good attendance our school uses the following strategies:

- Reminding parents of the importance of attending every day and how missed days can impact upon learning.
- Sharing attendance as the number of days missed rather than a percentage to help parents better understand the amount of time missed.
- Praising children with good attendance.
- Sharing weekly and cumulative attendance data with the children as part of Celebration Worship and celebrating the class with the best attendance.
- Supporting parents with advice about when their child is healthy enough to attend school.
- Promoting the importance of school attendance through the school Dojo platform.

10. Attendance Monitoring

10.1 Monitoring and analysing attendance

The attendance officer will monitor and analyse attendance data regularly to ensure that intervention is delivered quickly to address habitual absence as soon as possible.

The school will collect data regarding punctuality, truancy, and authorised and unauthorised absence, for:

- The school cohort.
- Individual year groups.
- Individual pupils/students.
- Demographic groups, e.g., pupils/students from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g., pupils/students with SEND, LAC, and pupils eligible for FSM.
- Pupils/students who have an allocated social worker, or are known to social care.
- A pupil/student who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Pupils/students at risk of persistent absence.
- Pupils/students at risk of severer absence.

The attendance officer will conduct a thorough analysis of the above data on a half-termly, termly, and full-year basis to identify patterns and trends; this will include identifying, for each group:

- Patterns in uses of certain codes.
- Particular days of poor attendance.
- Historic trends of attendance and absence.
- Barriers to attendance.

The attendance officer will provide regular reports to staff across the school to enable them to track the attendance of pupils/students and to implement attendance procedures. Specifically, where there is a safeguarding concern for a pupil/student absent who has unexplainable and/or/persistent absences from education, the attendance officer will alert safeguarding staff in accordance with the school's established safeguarding recording and reporting processes, who must work collaboratively with children's services where school absence indicates safeguarding concerns.

Unexplained or extended absences from school, indicating safeguarding concerns, will trigger safeguarding processes which are likely to include home visits and collaboration with external agencies.

The attendance officer will also be responsible for monitoring how attendance data changes in response to any interventions implemented to increase attendance in future.

The Local Trust Committee will regularly review attendance data, including examinations of recent and historic trends, and will support the headteacher in setting goals and prioritising areas of focus for attendance support based on this data.

The school will also benchmark its attendance data against local-, regional- and national-level data to identify areas of success and areas for improvement and will share practice which has been shown to be effective with other schools.

The board of trustees will ensure staff from different schools within the trust regularly share expertise and collaborate on interventions.

10.2 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils/students and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Review the attendance of all pupils who meet the threshold for Persistent Absence (90% or below) at least every two weeks, in line with DfE expectations.
- Pupils with an attendance plan and in receipt of attendance interventions will be reviewed every two weeks to measure the impact of actions taken by the school, and updated plans will be shared with parents/carers.

10.3 Reducing Persistent and Severe Absence

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold regular meetings with the parents/carers of pupils/students who the school and/or local authority consider to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Provide access to wider support services to remove the barriers to attendance.

10.4 Local Authority Notification of Extended Absence

In accordance with Regulation 12 of the Education (Pupil Registration) (England) Regulations 2006, the school will notify the local authority when a pupil has been absent for 15 school days or more, whether the absence is authorised or unauthorised. This includes pupils absent due to

illness, medical treatment, or other circumstances. Notification will include the reason for absence, actions taken by the school, and details of any safeguarding concerns

11. Deletion of Pupils from the School Roll

DDAT schools comply with the Education (Pupil Registration) (England) Regulations 2006, the Working Together to Improve School Attendance (2024) statutory guidance, and the Children Missing Education (2025) guidance when considering the deletion of a pupil from the school roll.

11.1 Lawful grounds for deletion from roll

A pupil may only be removed from the admission register for one of the **15 lawful reasons** set out in Regulation 8 of the Pupil Registration Regulations.

Schools must ensure that the correct regulation code is applied and that all decisions are lawful, evidence-based, and defensible.

11.2 Mandatory checks before deletion

Before removing a pupil from roll, the school will:

- Verify that one of the 15 statutory grounds applies.
- Complete all reasonable enquiries to establish the pupil's whereabouts where these are unknown.
- Follow the school's safeguarding procedures, including home visits and escalation to children's social care where appropriate.
- Ensure that the DSL reviews the case where there is any safeguarding concern.
- Record all actions, attempts to contact the family, and outcomes on the school's safeguarding/attendance system.

The 15 lawful reasons for deletion from roll (*Regulation 8*)

- **Reg 8(1)(a):** The school is notified that the pupil has been registered at another school.
- **Reg 8(1)(b):** The pupil has ceased to attend, and the parent has given written notification that the pupil is receiving education otherwise than at school (EHE).
- **Reg 8(1)(c):** The pupil has moved out of a reasonable distance from the school and cannot reasonably attend.
- **Reg 8(1)(d):** The pupil is detained in custody for more than four months.
- **Reg 8(1)(e):** The pupil has been granted leave of absence for exceptional circumstances and has failed to return within 10 school days after the agreed return date.
- **Reg 8(1)(f):** The pupil is certified by a medical professional as unlikely to be fit to attend school before the end of compulsory school age.
- **Reg 8(1)(g):** The pupil has died
- **Reg 8(1)(h):** The pupil will cease to be of compulsory school age and is not continuing in the school's sixth form.
- **Reg 8(1)(i):** The pupil has been permanently excluded.
- **Reg 8(1)(j)(i):** The pupil is a boarder and is withdrawn because of non-payment of fees.
- **Reg 8(1)(j)(ii):** The pupil is a boarder and is withdrawn at the request of the parent.
- **Reg 8(1)(k):** The pupil is registered at more than one school and has ceased to attend this school

- **Reg 8(1)(l):** The pupil has been granted leave of absence for a holiday and has failed to return within 10 school days (rarely used; overlaps with 8(1)(e)).
- **Reg 8(1)(m):** The pupil is no longer ordinarily resident in the UK and cannot reasonably attend.
- **Reg 8(1)(n):** The pupil has been absent for 20 consecutive school days, the school has made all reasonable enquiries, and the LA agrees that the pupil is missing education (CME).

11.3 Local authority notification requirements

In accordance with Regulation 12, the school will notify the local authority:

- **Before** removing a pupil from roll in all cases except:
 - Death of the pupil
 - Transfer to another school where confirmation has been received
- **Within 5 days** of adding a pupil's name to the admission register at a non-standard transition point.

The school must provide the LA with all required information, including the ground for deletion and evidence of reasonable enquiries.

11.4 Children missing education (CME)

Where a pupil's whereabouts are unknown, or the pupil is believed to have moved away without a new school place being confirmed, the school must:

- Follow the DDAT CME procedures
- Conduct home visits
- Attempt contact with all emergency contacts
- Liaise with children's services where concerns exist
- Refer to the LA CME team
- Not remove the pupil from roll until the LA has completed its checks and confirmed that deletion is appropriate

11.5 Safeguarding and off-rolling pupils

DDAT recognises that any practice that constitutes off-rolling is unlawful; schools will not remove a pupil from roll:

- To improve attendance figures
- To avoid meeting the needs of pupils with SEND or behavioural needs
- To circumvent statutory duties

11.6 Record Keeping

Schools must retain:

- Evidence of all reasonable enquiries
- Copies of LA notifications

- Confirmation of new school placements
- Records of safeguarding actions
- The date and the specific regulation under which the pupil was removed

12. Working with External Agencies

Where we identify concerns relating to either persistent or irregular attendance, we will work collaboratively with the local authority and other external agencies to implement appropriate support packages for pupils to address concerns in a timely manner and to bring about improvements.

Loscoe C of E Primary School employs a Positive For Young People (P4YP) support worker to help parents. In cases where attendance is causing a concern we may offer you a referral to this support worker.

The Local Authority Inclusion Support Advisory Service (ISAS) work with the school to help identify patterns in absence and provide support where needed.

13. Policy Review

This policy will be reviewed when guidance from the local authority or DfE is updated, and as a minimum every two years by the Trust. At every review, the policy will be approved by the Local Trust Committee.
