We may be small but together we can make a big difference

## Welcome back!

We hope you all had a great summer and are ready for an exciting new school year. We would like to give a very warm welcome to all of our new families this term.

Just a reminder the school gates open at **08:35am** and children should be in their classroom ready for registration by **08:45am**. If you arrive after this time and the gate leading to the playground is closed please do not open it. This is for the safety of our children. Please bring them in through reception and sign them in. Thank you.

Class Dojo is our main communication platform where your child's teacher can post about what they have been learning, upcoming events and photos. Keep updated on Dojo points. You can also use Dojo to message their teacher one-to-one. If you are not already on Dojo please speak to your class teacher.

Governors would like to say a big warm welcome to all off our new pupils in Reception (Alps) and Nursery classes. After such a hot start to the September term the weather seems to have turned towards autumn and both Irene Giles, our Vice Chair and myself are looking forward to seeing all of our children and their families in Church next week to celebrate harvest festival. The Autumn term started well with an inset day at the beginning of September which involved staff and Governor training. Part of the role of being a Governor is to be aware of any changes to educational policies and we are required to keep up to date with the latest legislation and best practices, this is something we do throughout the year by attending workshops. Governors have begun their work this year with a focus for the first half of the autumn term on policies and training, you will find the school policies on our website and any updates and changes will be added there over the coming weeks.
