

Dear parents and carers,

Please read the attached information regarding parental consent for flu vaccination. The immunisation team will be coming to school on **Wednesday 7th of December** and will only be able to administer the vaccine with your e-consent. (Nursery parents do not need to complete this - you will be contacted by your GP).

Please contact the school office if you have any problems completing the e-consent - we'll be more than happy to help you.
